## TREE DEDICATION PROGRAM

Franklin Parks and Recreation offers a unique dedication program to honor and remember friends and relatives. Planting a tree in a city park is a wonderful way to honor a loved one and also provides a gift to the whole community. Trees are planted in public parks so everyone can enjoy the shade, beauty, and enjoyment a living tree provides. The trees will be cared for by Franklin Parks & Recreation, ensuring a long life for the tree you select. Your donation is tax deductible to the fullest extent of the law through a partnership with the Johnson County Community Foundation. Plantings will take place in spring and fall seasons. Along with the planted tree, a leaf inscribed with the name you choose will be placed on a wall mounted "Tree of Life" to be displayed in the Cultural Arts and Recreation Center.

*Plantings will take place in the spring and fall seasons. To have your tree planted in the fall, please submit your form by October 1st. To have your tree planted in the spring, please submit your form by March 1st.*

**Pick up a form at the Cultural Arts & Recreation Center (396 Branigan Blvd.) or online at [franklinparks.org](http://franklinparks.org).**

SELF-DEFENSE

When the speed and power developed through Taekwondo is used in a self-defense situation against the vulnerable parts of an attacker's body, the results can be incredible. Efficient self-defense technique training allows a person to emphasize many of his, or her, natural physical strengths, such as power in the legs, against a much larger or stronger opponent. Your confidence will grow knowing you can defend yourself, and confidence alone is usually enough to deter potential attackers. **Ages: Teen & Adults**
